Professional Summary

Detail-oriented Information Technology student with a strong foundation in programming logic and low-level systems architecture. Currently expanding technical expertise in Rust, AI/ML, and cybersecurity to engineer secure, intelligent, and scalable software solutions.

Education

Bachelor of Computer Application (BCA)

ITS, Mohan Nagar

(2025 – 2028)

CGPA: 7.0/10

Senior Secondary (XII), PCM

CBSE – Parevertan School, Ghaziabad

2023 – 2024

Percentage: 82%

Senior Secondary (X)

CBSE – Parevertan School, Ghaziabad

2021 – 2022

CGPA: 8.5/10

Certifications

- AI Agents and Agentic AI in Python: Powered by Gen AI
- Machine Learning
- Android App Development

Technical Skills

- **Languages:** Java, Python, C, C++, Rust
- **Web Technologies:** HTML, CSS, JavaScript
- **Database:** MySQL, OracleDB, MongoDB, PostgreSQL
- **Tools/Platforms:** Visual Studio Code, GitHub, Android Studio
- **Operating Systems:** Linux, Windows

Academic Project/s

Project Title: “Machine Learning Model”

- Built a web app that fetches and displays the latest resume updates from an API whenever someone opens the page.
- Implemented budget allocation logic and payment controls to help users monitor spending habits and optimize financial planning.

Project Title: “Local AI Agent”

- Engineered a lightweight, secure local AI agent designed to run efficiently on consumer grade hardware without external cloud APIs.
- Leveraged Rust’s memory safety and zero-cost abstractions to minimize CPU/RAM utilization and ensure crash-resilient execution.

Project Title: “Reproducible Linux Development Environment”

- Engineered a version-controlled Linux environment with POSIX shell scripts for automated package synchronization, backups, and desktop customization.
- Configured granular security settings and performance optimizations to maintain a consistent daily driver workflow across devices.

Project Title: "Headless Dynamic Resume Engine"

- Built a web app that fetches and displays the latest resume updates from an API whenever someone opens the page.

Achievements / Extra Curricular Activities

- Assists developers in online technical forums with system configuration, and technical troubleshooting.
- Class representative for 1 years (2025 – 2026)
- Participated in the following competition/s
 - Hackathons (x4)

Languages

- English – Proficient
- Hindi – Native

Personal Details

Current Address : Rajnagar Extention, Ghaziabad, Uttar Pradesh, India
Date of Birth : 17/07/2005

DECLARATION

"I, Syrus, declare that the above information is true to the best of my knowledge and belief."

Signature

Date: 07-10-2026

Place: Ghaziabad
